DOTAN

DUTCH HITMAKER IN PMC

Still ‘I’m going home’ and now even more ‘Hungry’: after that sold-out Box, now on to the Main Hall! Rightly so too, as **Dotan** is the sort of artist that we cherish dearly.

As of the summer of 2014, ‘Home’ was to be heard everywhere, but next single ‘Hungry’ did equally well. So in the summer of 2015 he'll also be appearing at **Rock Werchter**.

Dotan is a **Dutch ‘troubadour’**, born in Jerusalem but grew up in Amsterdam and his full name is apparently Dotan Harpenau. With his 2nd ‘golden’ CD ‘7 Layers’ still out on Universal. And with a universally experienced message.
